Elementary and Secondary Tuition

	K4/K5 ½ DAY	GRADES K4 - 6	GRADES 7-12
1ST student	\$5,675.00	\$7,055.00	\$7,150.00
2nd student	\$5,107.50	\$6,349.50	\$6,435.00
3rd student	\$4,823.75	\$5,997.00	\$6,077.50
4th student	\$4,540.00	\$5644.00	\$5,720.00

For example, a family that has three children in grades 11, 7 and 3 would figure out their tuition by adding \$7,150.00 + \$6,435.00 + \$5997.00. The total tuition for this family would be \$19,582.00. The oldest child always begins the formula and then you work down in age from there.
